# Smart Solution High End MFP **N700 Series**

Compare to A3 copier;  
58% space saving

## N700 Series

Design Integration

### Smart A3 Solution MFP

Upgrade your working nature with winner of world's 3 best product Design Award

#### Compact design

Compact design occupying less space but delivers high quality service. Modern and chic outlook upgrades your business atmosphere

# Performance

## Powerful Performance

High Speed printing from letter size to A3 size  
Experience different class of document solution

### High resolution

Realized high resolution by optimizing gear module and improving paper path

### PostScript3 emulation

Apply PS3(Adobe) as one of basic emulation

### Finisher for high capacity

Compact size but upto 750 sheets stacking on finisher output tray

### Mass storage memory

512MB, 160GB mass storage memory and HDD Card

### High speed printing

50ppm high speed printing in letter size (N707)

---

## A3 Solution

Print, Copy, Scan and Fax in A3(or 11"x17"- MPT)

- Able to set 75 sheets at ADF (75g)
- Able to feed mixed size of papers from ADF (weight range:52~ 105g/m2)
- One side scan -> upto 600 mm in length

---

## Durability

Providing 80K PCU with two piece cartridge

---

## MPS featuring

Able to feature major Managed Print Service software programs

# Usability

## User Friendly

Easy and friendly UI design delivers convenient and pleasant working space maximizing user's satisfaction

### User oriented UI design

Easy control by 7 inch color touch panel, one step jam clearance door, easy installation for output options

### Design for quiet office

Less than 53dB provides quiet & pleasant working environment

### Cost effective

Two piece cartridge - mass storage toner and high durability drum

### Output tray lighting

LED light at output tray gives visibility when collecting prints

### Toner with waste box

Combining toner container and waste box in one-body. Waste box attached to the toner container enables easy and clean exchange
